DOINGS IN THE AUTO WORLD

Drivers Not Responsible For All Accidents-A Norwich Man's Experience in New London-Westerly and New London Will Enforce Auto Laws-Californian Roads Compared With Our Own Highways-Importance of the License Regulations.

In Westerly the whole council forms | the matter and that the law would be no police committee and, to a man, enforced. they stand back of Chief of Police
Thomas E. Brown in his contemplated
strict enforcement of the automobile
laws, which are being flagrantly violaws, which are being flagrantly violated. Attention will be given to the smoke nuisance and the required night lights, and special attention will be given to the enforcement of that section of the law which relates to overtien of the law which requires state registration in Rhode Island after being in the state for a period of 30 days. The state board of roads has called the attention of local police authorities to the fact and requires that immediate action be taken. Chief Brown of Westerly will soon get a record of this class of violators of the law in Westerly and will give them notice to comply with the law or be prosecuted.

Versailles Independents Have the Money.

The following communication in Rhode Island after being in the state for a period of 30 days. The state board of roads has called the attention of local police authorities to the fact and requires that immediate action be taken. Chief Brown of Westerly will soon get a record of this class of violators of the law in Westerly and will give them notice to comply with the law or be prosecuted.

Versailles Independents Have the Money.

d special police constables. Chief frown has completed plans to have ne automobile laws enforced. There-

fornia registry and registers in Rhode Island, and by reason of the California plate the automobile attracts more than ordinary attention. Mr. Sawye operates the machine in and about the interest of the providence for a month, and the balance of the year in California in the part of the provided in the part of the provided in the part of the part western during the summer montain then in Providence for a month, and this balance of the year in California. Ho is as proud of his modest little automobile as was the boy of olden times of the property of the in as good shape as when he first took hold of the steering wheel. We will be a summer to be in as good shape as when he first took hold of the steering wheel. We will be a summer to be in the property of the roads in California, declaring that they are as smooth as a billiard table, which, he says, are in marked comparison to the poorly kept up roads of Rhold Island. He said he understood that the people here and understood that the people here an hereabouts considered the Rhode is and roads to be first class, but it

worthy of illustration in New London this week. Down on Montauk syoning the season of the boy's ankle sprained and he was severely brule-d. He was lifted int the automobile and taken to the Law the automobile and taken to the Lawrence hospital, where he remained over
night, and the next day taken to his
home. His injuries are not serious
though painfal. The Norwich man has
promised the boy a new bicycle and
expressed willinguess to pay for the
care of the gov until he fully recovers,
but that boy openly declares that he
and not the automobile driver, was at
fault.

fault.

Now the New London police are get after the automobile owners fro other states who are violating the a tomobile laws of Connecticut in a setting out a state Hoense after bel-in a city for a period of over 50 da. There are quite a number of peo-here for the summer, owners of aumobiles, who are without Connection mobiles, who are without Connection registry plates, and it is proposed have these people call at the office secretary of state and settle, or are in the license price and receive the results.

quired license. Connecticut sutono bile owners are obliged to get out I censes in other states, provided the remain in a city beyond a specific time, and in some states that time only 16 days. At the meeting of the court of common council Monda court of common council Monday svening Aderman Prentis called the attention of the police committee to these violations of law, and Alderman
